POLICY AND PROCEDURE

Members are reminded that a Letter of Introduction is required when you are planning to visit interstate and international Clubs. Please ask our Reception to arrange one for you on phone: 02 9955 7171 or email: rsys@rsys.com.au, giving as much notice as possible. Members may not receive a timely reply to short notice requests, particularly at weekends, so please think ahead, ask for Letters of Introduction to cover all eventualities during your travels and carry your membership card with you at all times.

Letters of Introduction will only be provided to Members whose subscriptions are paid up to date.

Payment of all expenses incurred by Members during their visit to a Club must be settled upon their departure. In the event that a Club seeks reimbursement directly from the Royal Sydney Yacht Squadron for an unpaid Members balance, an Administration Fee surcharge will be applied to the Member's House Account in addition to the incurred Club's invoice amount.
